Executive Headteacher:
Daniel Callaghan

Welcome to the West Butterwick Primary Academy Parent, Teacher and Friends Association (PTFA)

Our PTFA is a group of parents who work together with the school to create fun and memorable experiences for our children, while raising valuable funds to support the school.

Our PTFA team is:
Megan Baines – Chair
Zoe Stamford-Kinton – Treasurer
Laura Dickinson – Secretary
Gemma Giles – Secretary

Throughout the school year, we organise a variety of exciting events, including school fayres, discos and other fun activities for children and their families to enjoy.

The money raised through these events goes directly towards supporting the children, helping to fund school trips, activities, equipment and additional resources that enhance their experiences at West Butterwick Primary Academy.

We are always grateful for the support of our parents, carers, families and wider community. Whether you can volunteer at an event, help with fundraising, share ideas or simply come along and join in, every contribution makes a difference!

Together, we can help make school life even more enjoyable and memorable for our children.

If you wish to be part of this great team then speak to the school office and or a PTFA member.
