Fantastic New PE Provision!

Dear families

First Step
Physical Education

We are now four weeks into the school year and hopefully you will be aware that we have a new PE coach, **Mr Robinson**, leading at least one session per week for each class across the Trentside Federation. We have agreed a three-year partnership with FirstSteps Physical Education, which will see the federation invest close to £90,000 of government PE & Sports Premium funding during this period to enhance the PE curriculum, sports offer and the delivery of lessons across all three schools, including coaching and professional development for staff.

If you would like to find out more about First Step Physical Education, please visit their website at <https://firststep-pe.co.uk/>

Benefits:

- High quality and engaging PE delivery
- Professional development & training for teachers
- Lunch time activities
- All equipment provided
- Curriculum mapping and lesson planning
- Enrichment day activities such as 'Quidditch' and 'Bikeability'
- School and Federation Sports Days

Mr K Robinson

Mr Robinson stated:

"I am really excited to be working with the Trentside Federation! I have already been into all three schools and they are all fantastic! Each school has its own character and I am looking forward to building a successful relationship with each class so that they can get the most out of their PE sessions."

We are delighted to have working alongside us. After only a few weeks, there is already a clear impact being made, relationships being built and children showing a clear enjoyment of their high-quality and engaging PE lessons.

Many thanks for your continued support.

Kind regards

Mr Smythe

Federation PE Lead
