

## What our pupils say about school....

**I feel supported over 100% in every single subject!**

**I'm getting better at remembering my finger spaces and I've improved since the start of term.**

**School help me with my coping skills, handwriting and teamwork.**

**I like to get sensory breaks and play outside with my friends.**

**I like my jobs list; it helps me and it tells me what to do next. My reward time helps me to have the energy to do my work again.**

**The teachers help me to learn and to figure stuff out.**
